God of Peace,

Our news is filled of wars and rumors of wars, our families and friends are called away, veterans return with experiences that have aged them beyond their years. Forgive us when we participate in what tears people apart rather than draws them together. You call us to love one another, you offer us hope of freedom and a life of joy.

Build peace among us, that we may continue to build your kingdom on earth as it is in heaven. In Jesus’ name we pray.

*(a moment of silent reflection)*
